**Terms and Conditions**  
Note that due to the nature of this hand  
made ceramic product, dimensions  
indicated may vary up to +/- 5% from those  
listed and the rim of the ceramic drum may  
not necessarily be 100% circular. Porcelain  
and glazed ceramic surfaces will vary and  
in some instances irregularities in colour  
and surface will appear with small areas  
of darker or lighter tone to be expected.  
These variations are an integral part of the  
ceramic product and the hand making  
process and are not considered to be faults.  
Please check critical site tolerances prior  
to ordering. Units must be installed by a  
licensed electrical contractor. PORCELUME
